## WEDDING INFORMATION

### Publication of Banns

This can be requested **instead of a marriage license** for those couples who worship regularly at Port Nelson. Discuss this possibility with the minister.

### Decoration/Flowers

Flowers are the responsibility of the wedding couple. Flowers can be delivered to the church **one hour prior to the ceremony**, or by special arrangement with the Wedding Coordinator. It may be possible for decorations to be placed at the rehearsal time. Any seasonal decorations (e.g. Christmas, Thanksgiving) will remain in place. Please note that the use of confetti and rice is not permitted.

Congratulations to both of you on your upcoming marriage! When you come to Port Nelson to celebrate your marriage, you are coming not to a building, but to a community of faith. The building is one expression of the community's faith. We offer weddings for both opposite sex and same sex couples. Our ministers are available to perform weddings both within the church and at off-site locations. This is the Marriage Policy of our church:

*Port Nelson United Church will, at the discretion of the minister(s), perform all marriages recognized by the United Church of Canada, between two persons who express:*

- *a deep desire for marriage*
- *a strong commitment to the journey of faith*
- *a desire to express their devotion to each other before God*
- *and an openness to receive God's blessing in the celebration of this covenant*

The wedding ceremony is set in the context of Christian worship. The role of the community of faith is to offer a service of prayers and blessings to accompany your promises to one another.

As a community of faith, we will extend pastoral care to you in this time leading up to your wedding.

Your relationship with the community through this time will include:

**1. Initial interview with the minister – *As soon as possible***

This is to determine if Christian marriage is your true desire. Please contact the church office to book an appointment. This meeting will typically last about 1 hour. Both partners must be present.

You will obtain a *Marriage Information Form* and are to complete it and return it to the church office as soon as possible, along with a \$200 non-refundable deposit (cash or cheque payable to “Port Nelson United Church”) for the use of the church. No wedding date will be confirmed until we receive this form and deposit.

**2. Marriage Preparation**

This is customized for each couple. The minister will provide you with options and details at the initial interview, but typically this involves completion of a questionnaire and some conversation.

There are also courses available in the community.

**3. Ceremony Choices – *One month before the ceremony***

As a couple, you have the opportunity to customize your wedding ceremony. The many options are contained in the *Wedding Ceremony Resources* book, which can be borrowed from the church office. Bring the completed “Marriage Ceremony Choices” form (yellow) to your final meeting with the minister.

**4. Music Consultation – *One month before the ceremony***

The Music Director/Organist is normally involved in ceremonies held in the church. If you have special musical requests, please contact the Music Director. Otherwise, traditional wedding music will be played. The Music Director’s fee includes consultation and rehearsals (if required), and playing for the ceremony: prelude, processional, hymns (if any), music at the signing of the register, accompaniment to any solos, recessional. Music chosen needs to be suitable for Christian worship. Some “love songs” are fitting; others are best used at the reception. Soloists/instrumentalists can arrange practice times with the Music Director, or the church office if you are not utilizing the services of the Music Director. Please note that the Music Director’s fee applies, whether or not you choose to use his/her services.

**5. Wedding Coordinator Consultation – *Two weeks before the ceremony***

The Wedding Coordinator is involved in all ceremonies held in the church involving a rehearsal and/or more than 25 participants. The coordinator ensures the space is clean and tidy, operates the sound system, and assists the wedding party. Standard decorations used are: brass candelabra with white candles, and brass candle holders and white bows on the ends of the pews. If you have special decorating requests, please contact the Wedding Coordinator. Otherwise, the standard decorations will be used.

**6. Appointment to Finalize Ceremony Details with the minister – *Two weeks before the ceremony***

At this brief meeting, the minister will discuss with you the ceremony choices you have made, and conclude the pre-marriage work you may have done. You are to bring your **completed marriage license** to this meeting. Please ensure all information on the license is correct.

**7. Rehearsal – *One or two days before the ceremony***

This is set with the minister at a time when most participants can be present. The rehearsal usually takes about 45 minutes. The Wedding Coordinator is present to assist the bridal entourage.

**8. Wedding Ceremony**

**9. Follow up**

Following the marriage, we will continue to hold you in our prayers, and offer you support as appropriate and possible.

We encourage you, when possible; to attend worship so that you come to a greater awareness of the ways God is present in your lives, and to develop a better understanding of the wedding ceremony itself. Our community worships Sunday mornings at 10.30am.

**License**

You are to secure a license from any City Hall or Municipal Office. Bring it to your final meeting with the minister, or leave it in the church office **at least two weeks before** the wedding day, along with the balance of fees (cash or cheque).
