

## UPDATES

**September 9, 2018**

### WHAT A LONG WAY WE'VE COME!

Over the summer there has been tremendous progress on the REKINDLE project. The structure is complete, windows are in and interior finishing is well on its way. Renovation work on the existing lower level rooms is progressing and we are certainly able to get a good idea of what our new spiritual home will look like when it's finished. Thanks to those who have dined at the Port Nelson Grill all areas of our renovated facility will be sporting new "clothes" and finishes. The PMT and the full REKINDLE team along with the Property Management Ministry are hard at work to keep the project on track and on schedule.

### TAKE THE TOUR!

It's Tour time again! Following the service on **Sunday September 23<sup>rd</sup>** you are invited to join the PMT for a tour of the project.

### WHO DO YOU THINK WE ARE?

YOUR wonderful opportunity to contribute to a Time Capsule, that will help a future Port Nelson congregation understand what we stood for in 2018, has a DEADLINE!. We are inviting you to share personal items that you think best represent our core values: a sense of community; affirming; caring; growing spiritually; meaningful worship; reaching out.

We need to receive the items by **October 21, 2018** when all items submitted will be assessed by the project coordinators and a curated selection will be placed in the capsule.

The Time Capsule will be housed in our new facility alongside a Memory Box containing items from the Time Capsules that we recently opened. Small items are best as our space will be limited.

If you wish to contribute now, you may give your possessions directly to Leslie Harrison or Dorothy Birkes. There will also be a bin located in the PNUC Church Office.

Be part of Port Nelson's future!
