

## REKINDLE UPDATE

June 3, 2018

### VISION TO REALIZATION!

The excitement is building as we see the structure of our new construction being created. Much conversation about the visible progress is heard during coffee time as well as some speculation about what will be happening when.

The Rekindle Project Team would like to update you on our latest view of the schedule. As flexibility has been necessary and has worked to our advantage in some cases the following dates can still change but the degree of uncertainty is becoming less.

Item	Timing	What is this
<b>Framing</b>	May/June	External and internal Framing
<b>Lower Level Construction</b>	Summer 2018	Asbestos abatement , removal of radiators Installation of new door frames and doors, HVAC installation, Trenching for Nursery washroom, ceiling in Sweeny room etc.
<b>Painting of Lower Level Rooms by Congregation</b>	Fall 2018	Dependent on completion of lower level construction.
<b>Kitchen equipment installation</b>	Oct/Nov 2018	
<b>Occupancy Inspection and Permit</b>	Nov 2018	We need an occupancy permit (Occupancy permits ensure that buildings comply with relevant bylaws and codes, and are safe for people to live in or use) before we can use any of the new space i.e. kitchen, offices, washrooms, meeting rooms etc.
<b>Parking Lot Paving</b>	TBD	Dependent on weather for paving.
<b>Fully Functioning Building Early 2019</b>	Early 2019	Means we have moved into offices, blinds on the office windows, funded furniture installed, new systems (A/V, security, intercom, display monitors, signage in place) all working properly.

## UPDATES

### REKINDLE FINANCIAL UPDATE
